DRAFT PENDING REVIEW

Acknowledgement of Country

Inner West Council acknowledges the Gadigal and Wangal peoples of the Sydney Basin who are the Traditional Custodians of the lands in which the Inner West Local government area is situated.

We celebrate the survival of Aboriginal and Torres Strait Islander cultures, heritage, beliefs and their relationship with the land and water. We acknowledge the continuing importance of this relationship to Aboriginal and Torres Strait Islander peoples living today, despite the devastating impacts of European invasion. We express our sorrow for past injustices and support the rights of Aboriginal and Torres Strait Islander peoples to self-determination.

Inner West Council understands our responsibilities and role in working with Aboriginal community to promote cultural heritage and history, address areas of disadvantage, and protect and preserve the environment as well as sites of significance to Aboriginal and Torres Strait Islander peoples. In doing so we acknowledge that Aboriginal and Torres Strait Islander cultures continue to strengthen and enrich our community.

Today, diverse groups of Aboriginal and Torres Strait Islander peoples live and work across the Inner West. We admire the resilience displayed in their significant achievements and in making immense contributions to both Council and the broader community.

Inner West Council is committed to embedding the values and perspectives of the Aboriginal and Torres Strait Islander communities to ensure we learn from the mistakes of our past and forge a positive future of long-lasting value built on mutual respect, equality, and opportunity.
