

Have your say

Improving Wicks Park, Marrickville

Council has developed a 10 year plan to help guide the future of Wicks Park in Marrickville and we want to hear your thoughts.

Project background

In 2024, we asked the community about what improvements they would like to see at Wicks Park in Marrickville.

Your feedback along with research and expert advice informed the 10 year draft Plan of Management (PoM) and Master Plan.

We want to hear from you on the two proposed options for improving Wicks Park including the location of the tennis courts and recreation areas.

Both proposed options to improve Wicks Park include:

- Resurfaced tennis courts and upgrading lighting
- New tennis building, forecourt area and spectator seating areas
- A playground with shade and equipment for all ages and abilities
- New sheltered picnic spaces, BBQs, seating and an outdoor fitness area
- Accessible pathway connection to the existing stairs at Wicks Place

Scan the QR code to view both draft Masterplans.

Inner West Council is improving Wicks Park, Marrickville

Wicks Park is a popular community space where families gather to enjoy a BBQ or picnic, children can play, and locals can enjoy a game of tennis.

We know this is a precious open space for a growing population and want to ensure that the final plans for this area meet the needs of the people who use it.

We want to hear from you about how you think we should improve Wicks Park for the community.

Darcy Byrne

Mayor, Darcy Byrne
Inner West Council
